## Hamlin Pied Pipers Trounce Snyder Tigers In Game Replete With Thrills

It was too cold to stand still and so the Hamlin Pied Pipers kept moving to a 20-13 victory over the Snyder Tigers in a football game at Snyder last Friday night.

Despite the freezing temperature which hampered the play of both squads, Hamlin's following was very much in evidence in the west stands of Snyders' new football plant and they were rewarded with an exhibition of solid play from the Pipers which brought the victory.

Although outplayed from scrimmage by a 10-4 first down margin in the first half, the Pipers left the field for the intermission with a 14-13 lead which they increased to 20-13 early in the third quarter. Thereafter they stood off any serious threat by the Tigers to score and left the field with their district victory skein intact.

Elation and despair were equally intermingled among Hamlin supporters in the first quarter as the Pipers rallied to thwart an opening surge by Snyder which gave Hamlin the ball on their 35 yard line. Failing to gain a first down, Rowland took advantage of a healthy wind to punt sixty yards over the Snyder goal line and then Max Coffee, diminutive Snyder quarterback uncoiled a pair of passes that yielded 24 and 26 yards and placed the ball on the Hamlin 29. The completed passes loosened up the Hamlin line enough to permit Wood, Coffee and Grimmett to plunge for a first down on the Pipers' three-yard line and Grimmett plunged far into the end zone on the first try from this point. The try for point was good but Snyder was offside and Hamlin elected to take the 5-yard penalty. Again Snyder booted the ball through and the Pipers trailed 13-7.

On the Snyder kickoff which followed, Sugar Green tucked the ball away on his own 10 and galloped all the way for the touchdown. Downfield blocking was perfect on this run and Green cut at exactly the right instant to elude the final Snyder defender. Again Stapler kicked the goal from placement to preserve the Hamlin margin.

On the kickoff which followed a peculiar decision faced the officials. Stapler's first kick was out of bounds, but a penalty was called against Snyder which advanced the ball to the Snyder 45 for Stapler's second try. Again the ball bounded toward the sidelines and Hamlin attempted to recover. The ball was fumbled out of bounds and the officials ruled that Hamlin had been last in possession of the ball, which gave

to their own four-yard line and they kicked out to their own 33.

Gregory, Green and Ford collaborated in a series of runs that advanced the ball to the Snyder three-yard line with a first and goal. The Snyder forward wall rose to the heights and stopped three charges at their pay-off stripe. Then Don Gregory eked out the yardage that brought the tally. Co-Captain W. T. Stapler booted the ball far and true for the point and Hamlin took a one-point lead.

Stapler kicked against the wind to the Snyder 20 and here Coffee and Franklin Woods uncorked a well-concealed reverse handoff to confuse Hamlin tacklers. Woods was finally pulled down on the Hamlin 35. Grimmett and Woods drilled through for a pair of first downs and the Pipers were backed up to their 12-yard line. Coffee cut through the middle for six yards and fumbled at this point. Officials ruled that the whistle had blown and a Hamlin recovery was not allowed. A first down followed on the Pipers' three-yard line and Grimmett plunged far into the end zone on the first try from this point. The try for point was good but Snyder was offside and Hamlin elected to take the 5-yard penalty. Again Snyder booted the ball through and the Pipers trailed 13-7.

### FUTURE HOMEMAKERS Set Celebration Week

November 12 thru 18 has been proclaimed as Future Homemakers of America Week by Governor Shivers.

The national affair and the Hamlin chapter will begin the week by attending the First Methodist Church as a group, stated Eleanor Hutchingson, local FHA president.

### RANGER JUNIOR COLLEGE Stages Homecoming

Ranger Junior College's annual homecoming will be held next Saturday, November 18, 1950.

A sandwich is scheduled for 5:00 p. m. and a football classic is scheduled for 8:30 p. m. against the Weatherford Junior College.

### Sgt. Howard E. Crow Visits Thursday Night

Sgt. Howard E. Crow, son of Mr. and Mrs. Earl Crow, visited his parents Thursday night of last week.

He was going from Carswell Air Base near Fort Worth to Chanute Field, Illinois to attend a three months course on electricity on Air Force planes.

Action of the directors brought the selection of Delma Shelburne as interlocutor for the minstrel and Arlie Cassie, B. V. Newberry, Harry Carmichael and Claude Lancaster will comprise the quartette of end men. Henry Albritton will function in the capacity of a fifth end-man in the outline.

The program to be followed in presentation of the minstrel calls for a three-part extravaganza in which all members of the club will participate. This will be divided into the minstrel, an olio, or vaudeville interlude and the after-piece skits.

Mrs. Joe McCrary will be the accompanist for the entertainment venture which will be put on view on the night of November 16 at the high school auditorium.

Chalcraft expressed himself as well pleased with a cursory rehearsal of the choruses which was conducted at the Tuesday night meeting and leads for the choral offerings were selected at that rehearsal.

A mandrill is a large baboon with a light blue nose, orange and yellow beard and a forehead crest of greenish hair.

It's thought to be lucky for people to stand during the home team's half of the seventh inning at a baseball game.

### Cutting Affray On Main Corner Leads To Assault Charge

Things got rough in Hamlin late Tuesday evening when John B. Massey, oil field worker and his reported room-mate, a man named Bridges engaged in an affray at the Safeway corner on Hamlin's main street.

Reports from Police Chief J. H. Foster are that trouble brewed between the two men during the day and was climaxed by the encounter at dusk. No witnesses were available for information regarding the encounter and Massey refused to divulge information.

Massey was first judged to have been seriously cut when Bridges is alleged to have used a knife.

A bloody trail furnished evidence that Massey made his way from the Safeway site to the Bluebonnet Cafe, where he collapsed on the sidewalk. Massey at first resisted efforts to aid him but he was finally persuaded to enter the car of former Traffic Officer Beckley.

Massey was taken to Hamlin Memorial Hospital and first aid in closing wounds about his head, face and back was administered.

As officers were at the hospital checking on the condition of Massey, Bridges appeared at the hospital for emergency treatment of an attack of asthma, which is said to have been induced by exertions in running from the scene of the affray. Information is that the man had asked for aid at the Touchon Service Station at the McCaulley "Y" and was taken to the hospital from that point.

Bridges was lodged in the city jail and Police Chief Foster told a Herald reporter that charges of assault with intent to murder would be filed against the man.

### Many From Hamlin At Austin For Game

Hamlin football enthusiasts attended the classic played at Austin last Saturday between Texas University and S. M. U.

Those fortunate enough to have tickets for the feature game of the season were Mr. and Mrs. Gene Prewitt, Mr. and Mrs. C. R. Reynolds, Jr., Mr. and Mrs. Austin Poe, Mr. and Mrs. Starr Inzer, Mr. and Mrs. J. M. Maddox and Mr. and Mrs. E. J. Whaley.

### Rotarians See Film On Sugar Refining

Hamlin Rotary Club members viewed a movie made by the C&H Sugar Company at their regular noon luncheon Wednesday.

The film, "The Land of Kapo-sa", which showed sugar from beginning to the end. It also showed in color the four Hawaiian islands, Kauai, Oahu, Maui, and Hawaii and interesting facts and places about each.

Ladies night at the local club to be held the first Thursday in December was voted on and approved.

Gene Prewitt was in charge of the program and Marvin Carlton ran the movie projector.

There were five visitors from the Abilene club and one from the Sweetwater club.

Tom Brady has accepted employment with the Lone Star Gas company. Brady fills the vacancy caused by the recall of Bo Newland to the armed services.

Attractive pamphlets concerning the Gonzales Foundation and the statewide VFW campaign have been placed in scores of downtown offices and business establishments. Those wishing to participate in this worthwhile project should send their checks to either Commander C. W. Gold or to Bill Harbert, quartermaster of the local post. All checks should be made payable to the Gonzales Foundation, and not to the local post or to the department of Texas.

Commander Gold said members of his post have contributed \$75.00 to the campaign, and that individual members will give more before the campaign closes on November 30.

The money being raised will be used in providing additional facilities at the state's own polio treatment center, badly needed to care for the ever increasing waiting list of patients needing treatment. Polio has claimed more victims in the state of Texas this year than ever before, and the need for expansion at the Gonzales Foundation is acute.

Governor Allan Shivers, honorary chairman of the Foundation fund raising campaign, in commenting on the Veterans of Foreign Wars campaign, made the following statement: "I highly commend the Department of Texas on its work in the beauty division either, as can be plainly seen.

### VFW Sponsor To Polio Fund Drive

Veterans of Foreign Wars Post 6014, Hamlin, is cooperating in every way possible with the statewide fund raising campaign for the Gonzales Warm Springs Foundation, a state-chartered non profit center for the treatment of victims of polio and other of the crippling diseases.

By VIVIAN SHORT

The weather man played tricks on us last week. But what can we expect, after such a mild summer?

Mrs. Della Fancher returned last Tuesday from Lubbock where she had been visiting relatives.

The Beech Jones returned Tuesday night from Oklahoma City where they had attended the funeral of Mrs. Jones' sister, Mrs. J. T. Voss.

Pat Maberry was a week-end visitor in the home of her parents, the Luther Maberrys. She is a student in McMurry College, Abilene.

Two more new cars are in our town, a Chrysler and a Plymouth, owned by the W. F. Divisons.

Visiting in the home of the W. C. Kceans last week were: the R. E. Jacksons of Grand Junction, Colorado, a sister of Kean, and the Lawrence Brewers of Abilene and the H. C. Gillis and family of Austin and the K. C. Shorts of Roscoe.

Paul Waldrop was a patient in the Hamlin Memorial Hospital for a few days last week. He was dismissed last Friday.

Mr. and Mrs. Wiley Martin were week-end visitors in the home of his father, George Martin. Mr. Martin returned home with them to the Valley.

Mr. and Mrs. W. T. Farrow have returned to Lubbock where he is taking treatments at the medical clinic there.

Cecil Short and many of Abilene were Sunday visitors in the home of his uncle, Ben Short, and Mrs. Short.

Mrs. Neely Smith has purchased the Pete Forbes house and moved into it. She has added several improvements.

Our new post office is now being roofed. It won't be long now until we will be getting our mail in "style" at McCaulley.

Velma Lou Boyd of Lamesa was at home over the week-end and her brother, Holman Boyd,

## BIBLE COMMENT

Jesus Knew When  
To Speak Out and  
When to Be Silent

AT the United Nations General Assembly, where representatives from 60 nations are gathered, it is the diplomat par excellence that knows when to be silent and when to speak out.

Jesus was just such a man, as evidenced by His dealings with the shrewd-tongued Pharisees. When He healed the man with the withered hand He knew quite well that the bigots were watching Him to see whether He would dare to perform a miracle on the Sabbath Day.

Although Jesus on many occasions had no words to match with those of his disparagers and critics, He met these critics on their own grounds. His antagonized onlookers were left answerless when He asked them whether it was lawful to do good and save a life on the Holy Day.

Many of the Pharisees were truly skillful orators yet none could deceive or mislead Jesus with their polished rhetoric. Jesus, when He answered His critics, did so for their own good and when Jesus met with men, they either became better men or their stubborn willfulness drove them deeper into evil designs and ways.

It is well to remember that while the word Pharisee has come to have an ignominious meaning, some of the Pharisees were among the most sincere and earnest Jews of their time.

The diplomats meeting in New York to decide the fate of the world might well remember that there are moments to cry out against deceit and moments to be patient silent.

And for guidance in their immense task, they would do well to find moments for prayer in which they can silently search themselves and cry out for strength and forgiveness.

## State Fair Declared Huge Success Again

Texas' Mid-Century Exposition of the 150 State Fair entered the records as the greatest ever held, according to a report received by The Herald.

Over 3,700 head of livestock were shown to 2,176,519 persons during the 16-day run at Dallas.

returned with her Sunday for a few days visit with the Tom Boyds of Lamesa.

G. A.'s of the McCaulley Baptist Church entertained the young people of the community with a Halloween Party at the church grounds last week. About 38 were present. Mrs. Buford Jackson helped with the games and it is reported the group had a wonderful time.

**HOSE SPRAYS SPIDER'S SILK**—Camouflage experts could well take a lesson from the eight-legged architect in Port Washington, N. Y., who built this conical web on a garden hose connector. Anchored to a garage sash window, the spider's web appears to be nothing more than a harmless spray of mist but spells doom for unwary insects. Examining the booby trap is 11-year-old Denis McLane.

**RE-TREE-VER**—A dog that requires pruning instead of grooming is the proud possession of farmer W. L. Long of York, Neb., who fashions statues of animals from Chinese elms. Neighborhood dogs, with an affinity for trees, stay away from this leafy-coated canine who seems ready to pounce upon them.

#### Service Class Meets Thursday for Social

Service Class of the First Baptist Church met last Thursday for their usual business and social meeting.

A covered dish luncheon was served at 1:00 p.m.

Mrs. Hines, Mrs. Weir and Mrs. Davis acted as hostesses.

Luncheon guest was Mrs. Willie Upshaw.

Mrs. Graham gave the devotional.

#### Shelton-Kerr Vows Exchanged Saturday In Willie Maberry Country Home Ceremony

Bebe Doris Shelton, daughter of Mr. and Mrs. O. R. Shelton and Hamlin, became the bride of Daniel Kerr, son of Mr. and Mrs. E. T. Kerr of Mayport, Pennsylvania, in the country home of the bride's aunt and uncle, Ma. and Mrs. Willie Maberry at 7:00 p.m. Saturday.

Rev. Joseph Van of Stamford read the double ring vows by candlelight before an arch decorated with autumn leaves and poms with satin bows. Baskets of white poms and cathedral tapers formed the background.

Wanda Hancock of Odessa was maid of honor and Mrs. Ralph Brown of Borger, sister of the bride, was matron of honor. Their dresses were of lavender and pink taffeta with drop-shoulder bodices and bouffant skirts. Each carried arm bouquets of pink and orchid Ester Reed daisies tied with matching satin streamers.

Other attendants were: Jo Harvage and Mrs. Tommy Richey. Their dresses were of blue taffeta with a simple bodice and Peter Pan collars with bouffant skirts.

Barbara Ann Brown, niece of the bride, was flower girl. She wore a pink taffeta dress with a halo of pink carnations and carried a basket of mixed flowers.

Bob Magnie of Hamlin was best man.

The bride was given in marriage by her father. She wore a gown of candlelight satin with a fitted midriff accented with seed pearls at the sweetheart neckline and a full length skirt which extended into a full length train. Her fingertip veil of imported illusion fell from a cloche of rose lace covered with seed pearls. She carried a bouquet of orchids and stephanotis.

A reception and house party was held following the ceremony. Hostesses included: Mary Carter, Mozelle Barnett, Jackline Bashford of Stamford, Ann Parson of Odessa and Mrs. E. E. Lewis. The wedding cake centered the lace covered table marked at each end by crystal candleabra, flanked with autumn flowers.

## Cook Meat Carefully for More Flavor and Less Waste

BY BETTY LYNN CURTICE, NEA Staff Writer

WITH meat prices so high, it is especially important to learn the best way to cook your roasts. Here are a few tested methods and recipes to help you get more good taste from your meat dollar and at the same time cut down on shrinkage.

### Roast Leg of Lamb

Place roast side up, on a rack in an open pan. Use no water. Bake in slow oven (325 degrees F.) according to the schedule below. If a meat thermometer is used, roast to 175 degrees F. internal temperature for medium doneness, or to 182 degrees F. internal temperature for a well-done roast.

If desired, slash fat covering on leg of lamb the last 15 minutes of roasting. Cut a clove of garlic into slivers and insert them into the slashes in the roast. Finish roasting and remove the garlic before serving.

### Cooking Schedule

Min. per lb. 3 to 5 lbs.	Approximate Cooking Time	Min. per lb. 6 to 8 lbs.	Approximate Cooking Time
Leg—medium	35 min.	2½ hrs.	30 min.
Leg—well done	40 min.	2½ hrs.	35 min.
Crown—well done	45 min.	3 hrs.	4 hrs.
Shoulder—well done	35 min.	2½ hrs.	

### Pork Roasts

Allow ½ to 1½ pound of meat and bone for each serving. A roast of 3 pounds or more from the leg, rib, loin or shoulder (either bone-in or boned) makes an excellent meal.

Roast fat side up on a rack in an open pan in a slow oven (325 degrees F.). Cook a 5-pound loin or fresh shoulder approximately 3½ hours; one weighing 8 pounds about 5 hours. If a meat thermometer is used, 185 degrees F. will indicate that the pork is done.

### Stuffed Baked Pork Chops

(4 servings)

Four 1-inch rib pork chops, 1½ cups savory bread dressing, 1½ teaspoons salt, pepper. Slit a pocket on the bone side of the rib chop. Stuff the dressing into the pocket. Season the chops. Place in a baking pan. Cover and bake in a moderate oven (350 degrees

Careful roasting of this leg of lamb resulted in a tasty, well-cooked main dish with very little waste or shrinkage.

F.) for one hour. Uncover and continue baking for 30 minutes to brown.

Chops may be browned first in a heavy skillet, then bake covered for one hour or until chops are tender.

## McCauley HD Club Meets In Boyd Home

McCauley Home Demonstration Club met last Thursday in the home of Mrs. Louis Boyd. Mrs. Ted Abbott was co-hostess.

Mrs. A. G. Smith, president was in the chair. Recreation was led by Mrs. Glenn Henderson.

Miss Kinsey, Fisher HD agent, gave a demonstration on centerpieces of fresh fruits and vegetables, also of dried vegetables, seed pods and so forth.

A refreshment plate was served to 24 attendees as follows: Miss Kinsey, Mmes. A. G. Smith, Levi McCollum, Glenn Henderson, Jerry Miller, Luther Maberry, Jerry Maberry, C. A. McHone, W. C. Lee, Oliver Lee, Della Fancher, Willie Fancher, Hallie McCaffer, Melvin Henderson, Ben Kemp, Fred Kemp, Frank Kemp, Ted Abbott, Gertrude Mason, E. A. Lawless, Frank Jackson and Mrs. Boyd, reporter.

Club meeting was adjourned and will meet in the home of Mrs. Carroll Lee, December 15 for a Christmas Party.

J. E. Patterson and Mrs. M. Y. Wilson visited in Wewoka and Hatishorne, Oklahoma and Denton last week. They visited Mrs. M. Y. Wilson Jr. at Denton.

This pensive young gentleman is giving some after-school coaching to one of his classmates. Modern philosophy or some weightier topic might be the subject under discussion, judging from his solemn expression. The flirtatious little miss is taking it all with a grain of salt, however. She is more interested in his neat, man-about-town cotton suit. With it, he wears a polka dot cotton shirt that is the masculine equivalent of her own western-style cotton blouse. Both of the cotton school ensembles were designed by Johnston of Dallas.

Mr. and Mrs. R. N. Fairey and James of Fort Worth visited in the homes of E. F. Fairey and Weldon Johnson over the weekend. The visitors celebrated Mr. Fairey's birthday.

Basketball was originated in Springfield, Massachusetts in 1891.

Mr. and Mrs. M. A. Fairey of Rotan visited in the E. F. Fairey home last Friday evening.

## Nine Homemakers At Olney Association Fete

Nine girls from the Hamlin Future Homemakers Chapter attended the Area Two meeting of the Texas Association in Olney last Saturday, when 700 others gathered.

As each girl registered, she was presented a baby orchid by an Olney florist.

Suzy Hettler, area president of the Roosevelt School, Lubbock presided during the day. Representatives from Archer City, Olney and Jayton who attended the National FFA meeting last June in Kansas City, Missouri gave the highlights of that meeting.

Rosemary Pummill, Graham, area reporter, gave a talk, "Interpret Your Program."

During the afternoon, Laura Courtney represented Hamlin at the House of Delegates, and then the entire group broke up into smaller work shop groups on Degrees of Achievement.

Those attending from Hamlin were Eleanor Hutchison, Laura Courtney, Nadine Branscum, Sarah Jean, Glenna Brewer, Peggy McCleary, Margot Patterson, Ethel Sue Denton, Janet Higdon, Mrs. I. R. Hutchison and Mrs. James E. Simmons, sponsor.

## Rogers Children Home For Sunday Gathering

Visiting in the home of Mr. and Mrs. W. E. Rogers of McCaulley Sunday were their children; Mr. and Mrs. B. A. Rogers of Lamesa, Mr. and Mrs. T. D. Rogers and son, Larry of Brownwood; F. L. Rogers and family of Celotex; Mr. and Mrs. C. R. Faulkenberry of Hamlin; Mr. and Mrs. W. McPherson and son of Lamesa; Mrs. J. J. Brown and Corylon of Lamesa; Mr. and Mrs. Allen Rogers and family of Lamesa.

## HOW TO PLAN A HOME LAUNDRY ADVANCE STUDY AVOIDS GUESSWORK

When you start to plan an all-electric home laundry for your new home or to remodel your present one, laundry specialists name three points you should consider: (1) the location in the house or basement, first floor or second floor; (2) function of the room—will it be a laundry solely, a general utility room or a combination kitchen-laundry?; (3) the arrangement of appliances, counters and cabinets for efficient "assembly line" washday operations.

Advance planning before you build will make the most effective use of available space and avoid guesswork and makeshift installations which later cost you needless stair climbing, heavy bundle lifting, pleasant surroundings and even peace of mind.

In the interests of better home planning, Hotpoint, Inc., the industry's newest leader in the production of automatic washers and dryers, has studied installations in hundreds of homes and talked with architects, builders, home economists and engineers. Here is what the experts say on the important points you will want to take up as you plan for future workless washdays.

Architectural style of your home, room size and plumbing have an important bearing on location, of course, and in many small one and two story homes, the basement continues to be the only space available for the laundry. First floor laundries, however, have been voted for by 70 per cent of women planning changes, according to recent Hotpoint surveys, and they believe this location will eventually supersede the basement entirely. The post-war emphasis on the bungalow "ranch" house has a direct bearing on this view.

The elimination of stair climbing has been a strong factor in influencing women in favor of the first floor, particularly those with large families who must do laundry several times a week. The pleasant surroundings on the first floor and the accessibility of the laundry room to other household activities, such as keeping an assured eye on the children, proceeding with meal preparations, sewing, mending, and the uncounted tasks a woman faces makes a difference.
